ACCEDITATION AND ACCESS CONTROL SYSTEM

Accreditations

DESIGN & PRINTING & ON-SITE HANDLING

Conceptualizing personalized accreditation designs to delivering high-quality printed credentials.

ASSIGN ACCESS AREAS

Seamlessly manage, track and verify credentials digitally ensuring effective control over each access area. Know who is coming in and out and when.

ACCESS CONTROL

Read QR codes with integrated camera on your smartphone, tablet or laptop permitting cost effective deployment and controls.

ACCREDITATION SYSTEM

Customized Templates

Our design and integration team realizes individual solutions, in close cooperation with the customer.

Printing or digital Distribution

Distribute the Accreditations as hard copies on special supplies or provide them as a digital version

Support & Operation

Experienced specialists taking care of every detail on-site, from system setup to operating live productions.

ACCREDITATION SYSTEM Overview

Accreditations at major events provide essential benefits, enhancing security, streamlining logistics, and ensuring controlled access to restricted areas for authorized individuals. This system contributes to athlete safety, facilitates efficient event management, and regulates media access, ultimately playing a crucial role in the overall success and organization of such significant sporting events.

ACCREDITATION SYSTEM Data Import and Entry System

Data can be imported automatically from the Sportdata Entry System, but also managed locally. The following data fields are supported by default:

- Name
- Country
- Club / Federation / Organization
- Roles
- Category

- Date of birth, Height, Weight
- Custom Status
- Custom Comments
- Days of Competition
- Logos
- Access Areas
- Seat and Row
